## MERL Program Assistant

### Terms of Reference

**Position Title:** MERL Program Assistant

**Location:** Morpus, West Pokot County, Kenya

**Organization:** Perur Rays of Hope

Perur Rays of Hope (**PROH**), in partnership with Global Give Back Circle, (**GGBC**) is seeking to recruit a dynamic, passionate, and experienced **MERL Program Assistant** to support MERL department at **HER Lab Program** in West Pokot County.

#### **Purpose of the Position:**

We are seeking a dedicated and motivated individual to join our team as a Monitoring, Evaluation, Research, and Learning (MERL) Program Assistant. This role involves not only contributing to our MERL activities but also providing close supervision and guidance to a team of two MERL Analysts. The MERL Assistant will play a pivotal role in ensuring the accuracy and effectiveness of our data collection, data management, interviewing, and participant engagement processes.

This position will contribute to the Monitoring, Evaluation, Research, and Learning team, whose overall program contributions involve program monitoring and tracking, internal and external reporting, continuous learning and evidence-based program improvement, participant engagement, and stakeholder engagement.

#### **Key Responsibilities:**

##### **1. MERL Activities:**

- Collaborate with MERL and Journalizing Manager at Circle Group to design and implement monitoring and evaluation plans for projects and programs.
- At HER Lab West Pokot, lead in data collection, data entry, and data analysis, ensuring that data is collected accurately and in a timely manner.
- Contribute to the development of interview protocols and survey instruments.
- Participate in interviews, focus groups, and data collection efforts.

##### **2. Supervision and Training:**

- Provide close supervision, mentorship and guidance to the MERL Analysts, ensuring seamless delivery of MERL activities.

- 
- Develop and deliver training sessions to build the capacity of the MERL Analysts and ensure compliance with data collection and reporting standards.
  - Conduct regular check-ins and performance evaluations of the MERL Analysts.

### **3. Data Management:**

- Oversee data entry and data management activities, ensuring data accuracy, consistency, and security.
- Maintain a well-organized data filing system in collaboration with the MERL team.
- Assist in the development and maintenance of data dashboards and reports.

### **4. Participant Engagement:**

- Foster participants buy-in, trust, and cooperation in collaboration with the MERL team.
- Help address participant concerns and ensure that their perspectives are accurately represented in data collection and reporting.
- Act as a point of contact for participants and stakeholders when necessary.

### **5. Reporting and Documentation:**

- Contribute to the preparation of reports, summaries, and presentations based on collected data and interview outcomes.
- Lead in data analysis, documentation of and findings, identifying trends and insights for decision making.
- Work closely with MERL and Journalizing Manager at Circle Group in communicating results effectively to internal and external stakeholders.

### **Qualifications:**

- Bachelor's degree in a relevant field (such as social sciences, Statistics, Economics, M&E, development studies, or a related discipline).
- Certificate in M&E, Data Science, Project planning or research methods will be an added advantage
- Previous experience in MERL activities, data collection, and analysis.
- Strong organizational and project management skills.
- Excellent interpersonal and communication skills.
- Ability to work effectively both independently and as part of a team.
- Proficiency in data management and analysis tools and software.
- Ethical conduct and respect for participant confidentiality.

- 
- Familiarity with Monitoring and Evaluation concepts is advantageous.

### **Professional Experience**

- 2 years' experience of proven M&E Experience for the Non- Governmental Sector or humanitarian projects
- Experience with Data collection tools (ODK, Kobo Collect, Survey CTO) and Data analysis software (SPSS, Stata, R and Advanced Excel)
- Familiarity with Research Methods (Qualitative and Quantitative)
- Prior experience in baseline, midline, endline surveys and routine assessments
- Knowledge in Project Cycle management

### **Useful info:**

- Since this position will be based at HER Lab in Morpus, West Pokot County, relocation flexibility is a plus.
- Application deadline; 20<sup>th</sup> July 2026

We are committed to fostering a diverse and inclusive workplace as an equal opportunity employer. We strongly encourage individuals from all backgrounds to apply, with a particular emphasis on supporting applications from women and persons with disabilities.
